## PERTH FUNERAL DIRECTORS

As you are no doubt aware, the McGowan Government has released a road map to carefully lift COVID-19 restrictions.

### Phase 3, 6<sup>th</sup> June 2020

Under the new provisions:

- no more than 100 people can attend a funeral held indoors; or
- no more than 300 people can attend a funeral outdoors.

Although the people who are needed to conduct the funeral, such as the funeral director and the funeral celebrant, are not generally included as part of these limits (due to the size of the chapels the funeral celebrant and conductor will be included). Penalties apply if these limits are not followed.

All attendees are required to comply with physical distancing requirements (2 square metres per person).

It can be a difficult task to limit the number of attendees at the funeral of your loved one.

However, it is important to understand that these measures have been introduced to protect your health and well-being and to help prevent the spread of COVID-19 in our communities.

Funeral Directors or those conducting the funeral are required to keep an attendance record of all attendees for (potential) contact tracing.

When arranging the venue, the facility must be able to accommodate the social distance and public gathering rules which require at least 2 square metres per person.

To ensure compliance with the social distancing, Prosser Scott and the MCB now advises that the following capacity limits will be in place in the following chapels as of Saturday 6<sup>th</sup> June 2020 – **inclusive 2 staff**.

**Please note that the capacity of the lounges is less than the chapels.**

#### Karrakatta Cemetery

Norfolk Chapel - 100 people  
Norfolk Lounge - 75 people

Brown Chapel - 65 people  
Brown Lounge - 65 people

Dench Chapel - 30 people  
Dench Lounge - 25 people
